

Providing support to:
OPERATING PROJECTS UNDER THE FOUNDATION
OperatingProject.org

New Horizons Foundation was founded 31 years ago. Today, New Horizons Foundation has over 725 projects in 120 countries and has distributed over \$135,000,000 to charitable projects and organizations!

Organizational Values:

1. ***We are here to serve you, our Project Managers*** – We are fanatical about customer care and service and our Project Managers are our primary customers
2. ***We will help you find a way*** – We specialize in creative solutions to simple and complex problems and will use our technical expertise, partnerships and experience to help you find the right strategy to transform your vision into reality.
3. ***We will take care of all the administrative details*** - We are comprehensive, trustworthy, reliable and we strive to do everything with integrity so that you can have the peace of mind to pursue your vision without worrying about the details.
4. ***We will provide overwhelming value at a reasonable cost*** without sacrificing service or integrity so that you can do more with every dollar that is given to your project.

Project Benefits:

1. The Foundation offers Operating Projects established under New Horizons all the benefits that they could get with a 501(c)(3) public charity without any of the administrative headaches
2. Services offered for Operating Projects:
 - a. Receipt all gift to project regardless of size
 - b. Allow on-line giving for donors for ACH or Credit card contributions either one-time or recurring
 - c. Provide web based access for Project Managers anywhere in the world to view account balances, contributions, disbursements and transact business with the Foundation
 - d. Donor information can be downloaded into Excel spreadsheets for budgeting and mailing lists
 - e. On-line electronic forms to request distributions and transact business with the Foundation
 - f. Individualized web pages detailing the mission, activities and contact information for each project that donors can view and donate to on-line
 - g. The Foundation has professional investment management and advisement for all charitable activities, giving and investment of assets in the Foundation
 - h. No additional fees for special handling of wires, mailings, special events or distributions
 - i. There is an annual professional audit of the Foundation
 - j. The Foundation takes care of all IRS filing requirements

- k. The Foundation operates on a secular platform which allows all projects to be eligible for matching programs and grants from most foundations
 - l. Foundation projects can employ Independent Contractors to work for the projects on location
 - m. Projects are a part of an organization with a 23 year history of outstanding service
 - n. Projects can operate fundraising projects like auctions, fun runs, special events etc.
-
- 3. Projects in the Foundation can have their own website that is linked to the donation page of New Horizons to give the project more independent identity
 - 4. Information is uploaded to the web every night so Project Managers can get information anytime or you can speak directly with a real person in our office from 8:00 am- 4:00 pm Monday through Friday MST.
 - 5. Donors to your project can receive professional gift planning assistance from the Foundation staff
 - 6. Project Managers may set up subaccounts under their project and allow selective access to the subaccounts
 - 7. The Foundation staff is experienced at following the IRS technical requirements for nonprofits, charitable trusts and foundations will help your project stay compliant with the legal requirements
