9. Fill out the “Breakdown of Request” form with the amount you want to donate and why.
  - In the description section, please include how sending this entity money is charitable.
  - Our auditors look at this section and expect to understand the relationship between this entity and The New Horizons Foundation. Essentially, we need to know how sending money to this entity relates and is charitable for your project. For example, “We are sending funds to A because they support babies born with cleft lips. Our project benefits from their support because we perform free surgeries on babies with cleft lips.”

How does this donation support the charitable purpose of your project?
