Another "PROGRESS" Report from Indiana Prisons

Putnamville BibleTelling Graduation

April 10, 2015

If you think you've seen this newsletter before, it may be because we've had so many BibleTelling Graduations in Louisiana and Indiana prisons. In fact, we have "graduated" nearly 500 incarcerated men and women as certified instructors. We started in Indiana at the Putnamville Correctional Facility in 2012, and this latest graduation was the fourth class at Putnamville (and the largest so far!). Thank you for supporting this ministry that is making such a positive difference in the lives of incarcerated men and women! Plans for the "Shamgar Community" at the Correctional Industrial Facility are also moving forward with the selection of participants. We plan to begin the program "officially" on June 1.

The following day, we had another graduation at Branchville Correctional Facility. (We graduated six men at Branchville in June, 2014; they were tutors who were teaching in our literacy Program.) This was the first graduation class at Branchville that was open to all the men at the prison. We had more family members attend this celebration that we had graduates! It was thrilling to have this kind of family support for the men who had worked so hard to qualify as instructors. Because of the effective results of both the BibleTelling training and the *Language Olympics* Literacy Programs at Branchville, we have been asked to expand both programs at Henryville. Ed Cox, a fellow Navigator staff, is assisting me to get our programs started there.

For Your Prayer: Some international travel coming up –
ISRAEL: (May 22-June 9) I'll be participating in a BibleTelling Seminar and visiting the MegaVoice ministry in Tiberius.
KENYA: The Navigators installed our new international director, Mutua Mahiaini, on April 18th. Mutua's parents came from Kenya to attend the installation. I have visited their Village three times to provide Bible Storytelling training. We discussed another Kenya Visit to take place in August. I'll keep you informed as plans develop.
